Who we are

ZAP CIRCUS is a performance and education company founded by Tarrabelle Murphy and Rustickle Hammond. Tarrabelle and Rustickle have been passionate about circus arts since childhood and have been teaching and performing for a combined total of 15 years. They have taught and performed all around the world. ZAP CIRCUS will keep your students entertained, whilst educating and inspiring!

What we do

We provide excellent opportunities to stimulate personal, social, emotional and intellectual development. The program inspires students to apply themselves to a life of learning in a fun and engaging environment. We will tailor a program to suit you, or you can choose from our pre-developed packages;

'Get ZAP'd' - Show and Workshops

All classes experience a 30 minute show, before individually re-joining ZAP throughout the day to complete activities, and learn some circus fun-damentals.
90 minutes (plus show), min 3 classes, \$400/class

'Creativity Unleashed' - Workshops

Students experience a show and then have a full day to participate in activities and learn a range of circus skills. A fantastic reward day.
Whole day, max 30 students, \$800

'Get ZAP'd' with Student Show - Weekly workshops

This package allows for the experience of 'Get ZAP'd' Show and Workshops, with the end result being a performance by the students. Entry fee for the show can be charged by the school, a great fundraiser. Min 3 classes.
5 x 90 minute per class, plus student show, over 5 weeks, \$2,000/class
